

**Connecticut State Council  
Knights of Columbus**  
Instituted April 26, 1893

January 8, 2019

Greetings Grand Knights and District Deputies,

You should have received an envelope of raffle tickets for the annual Connecticut State Council Raffle to be drawn at the convention which is scheduled for April 26th to 28th. The envelope contains is your council's allocation of the raffle tickets which was assigned based on the amount of tickets your council sold last year or a minimum of 10 tickets. As in years past, after expenses are paid, the profits will be divided in half between the State Council and the local councils who participated in selling tickets. Depending on your participation this could be a major fundraiser for your Council at no risk. Please note there is no guarantee how much profit per ticket sold will be allocated. This can be a great fundraiser for your council. So together let us all strive to make this a win-win for both the State Council and your Council.

**Processing Tickets:**

The drawing will be on Friday, April 26, 2019 at 9:00 p.m. at the Hartford Marriott Downtown, 200 Columbus Blvd, Hartford, CT where the State Convention will be held.

Any tickets turned in after April 22, 2019 arrangements must be made with me directly.
